

Backpackers Fly Shop - Fly Fishing Gear

The Backpackers Shop

Sage 4200 Series

\$299.00

The latest reel offering from Sage brings a sophisticated, high-performance drag system. The one revolution drag knob offers quick and precise drag settings and provides the kind of power and smoothness youâ€™d expect from a large traditional drag system, only without the bulk or weight.

Features

- Fully Machined 6061-T6 aluminum, strong and corrosion resistant
- Features Sageâ€™s SCS Floating Tripod Drag design
- One revolution drag knob for quick and precise drag settings
- Smooth and reliable sealed carbon disc drag system

- One-way roller clutch bearing for immediate drag engagement and simple retrieve conversion

- Neoprene bag
